VITAL MATERIALS PROGRAM

25X1A6a A physical inventory was made of the Vital Materials stored at  
25X1A9a [REDACTED] by Mr. [REDACTED], CIA Vital Materials Officer and myself.

25X1A6a Also secured an inventory listing of the Vital Materials held at  
[REDACTED]

25X1A9a Met with Mr. [REDACTED] regarding the overall Office of Training  
Vital Materials Program. The inventories and revision of the "Vital  
Materials Deposit Schedule" were discussed. Plans and Policy Staff  
Vital Documents were discussed.

25X1A9a Met with Mr. [REDACTED] and discussed the Vital Materials Program  
and materials stored in the repositories. [REDACTED] was 25X1A9a  
designated as the Vital Materials Officer for the Intelligence School.  
25X1A Discussed the program with [REDACTED] and left samples of working  
material. She will start at once on this project.

25X1A9a Met with Mr. [REDACTED] and 25X1A9a  
Mr. [REDACTED] and discussed the Operations School Vital Materials Program.  
A copy of the inventories and working material were left for their use.

The other Staffs and Schools are being contacted at present.
